

International Diploma in Education 国际教育文凭

This full time course is designed for trainee mandarin teachers in China who are keen to learn about the UK education system, teaching methodologies and to develop their teaching skills.

这个全日制课程是专门为想培训成为中文老师并且热衷于学习和了解英国教育系统，教课方法和发展教课技能所设立的。

The course comprises core modules in English and Study Skills. In addition, students receive an introduction to the UK education system, teaching & learning theory, methodology and assessment, lessons on teaching techniques and using ILT in the classroom. Cultural awareness classes introduce concepts of language and culture, in particular focussing on British history and traditions. Students are introduced to the importance of Health & Safety in the classroom and Child Protection in a teaching context. There is also an opportunity for students to acquire some classroom experience, both within the college, delivering and observing lessons, and in local schools, at both primary and secondary levels.

这个课程的核心课程包括英语，计算机，数学，和教学技能技巧，使学生在这些重要课程中能够获得和达到高水平的理解和深入。并且，学生们还有机会学习到英国的教育系统，教学与学习理论，方法和评估，教课技能，和基于技能审计的计算机及通讯。技能学习课程是给学生介绍语言和文化的初步认知，特别是对于英国的历史和传统文化上面的学习。并且，在以上的课程学习之外，学生还会在课堂上学习健康和安全课程，儿童保护课程。学校还有机会给学生们提供大量的教课实习机会，比如说在本校教课，在当地中小学任教等。
